

DECLARATION OF VERIFICATION AUDIT

Associação Control Union Certificates

During verification carried out by the Control Union Certificates Association, based on the processes and procedures conducted for a limited assurance, there is no evidence that the traceability for indirect sourcing claimed is not materially correct and is not a fair representation of data and information and have not been prepared in accordance with the calculation method reference.

97.71% of Bunge's indirect suppliers that are within priority areas have CAR and are traceable.
