GoConnect members are encouraged to submit their own content!

Some topics allow immediate publishing, and some require member-submitted posts to be approved first by a Topic Manager.

To post content from GoConnect:

1. Click the pencil icon.
2. Choose the type of post.
3. Fill in your content.
4. Click  to choose the topic you want to submit to.
5. Select **Post** to publish!

What should you post?

When you post content, you are representing yourself, your team, your facility and Bunge. That said, be creative, be authentic and be #ProudtobeBunge.

Do Post:

- Good news related to Bunge, your team or facility
- Innovative ideas
- Safety tips
- Colleague recognition
- Photos of events and nice moments at work
- Local Bunge events –invitations, announcements, photos
- Milestones achieved
- Project updates

Don't Post:

- Sensitive information that is not yet known to employees
- Complaints, bad news, negative feedback
- Employee photos or information without permission
- Content that violates safety rules or use of cellphone policies
- Advertisements or promotions that are NOT Bunge related
- Anything that violates the Bunge Code of Conduct
